

# T3

---

100% Wire-Free Emergency Button  
(must be paired with the A1)

Protect the ones you love with the T3.

## Protect your loved ones

---

Whenever the emergency button is pressed, the A1 sends an instant alert to the app on your smartphone.

## Flexible installation

---

The T3 is lightweight and tiny, so you can install it anywhere you want.

## Low power consumption

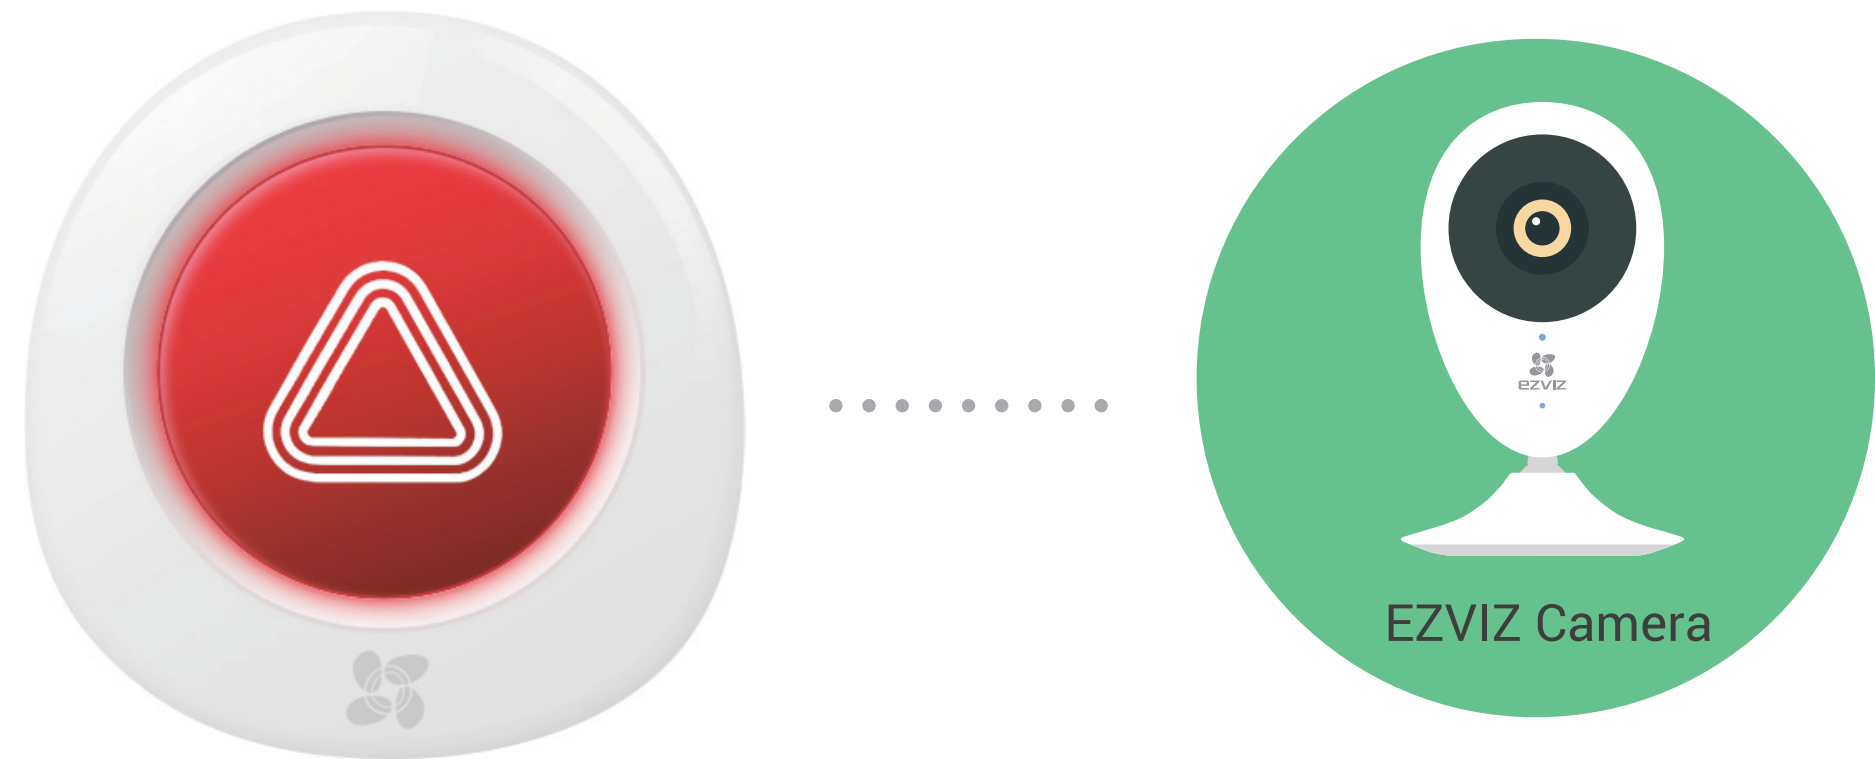

---

The ultra-low power consumption design allows for up to two years of battery life.

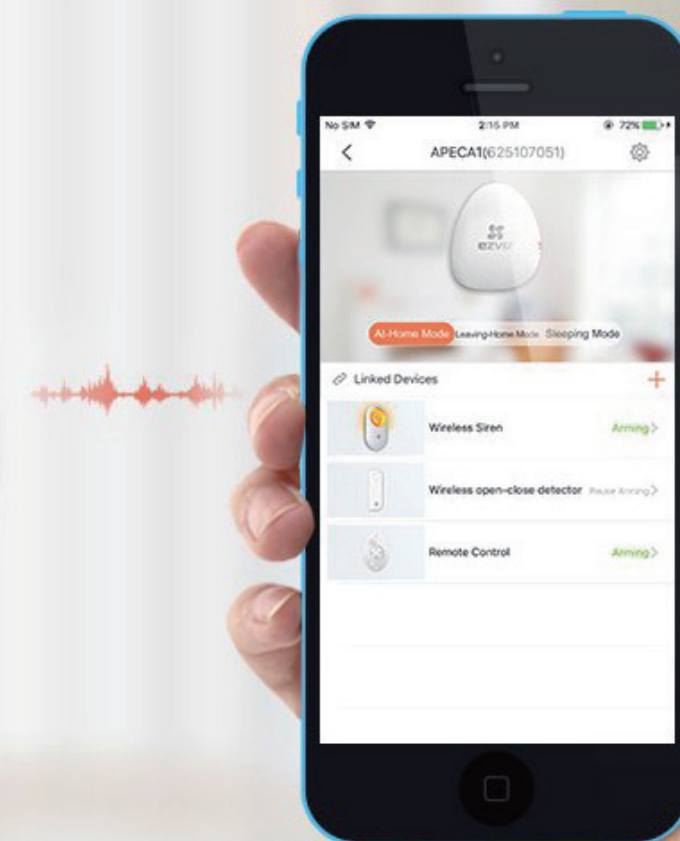

## Integrated solution

The A1 can be connected to your EZVIZ cameras. When the T3 is triggered, the camera instantly starts recording images and video.

## Control via the EZVIZ App

With the EZVIZ App, you can remotely control the A1 and all devices connected to it even when you are away from home.
